

The United Counties of Stormont, Dundas and Glengarry are now accepting nominations from **both staff** and **the public** for the fourth annual SDG Staff Recognition Awards

The SDG Staff Recognition Awards provide an opportunity for SDG employees to be recognized for any actions or undertakings that are above the expectations of their regular job responsibilities.

Each year in June, Council recognizes SDG employees who have made significant achievements in the areas of:

- **Customer Service**
- **Safety Smart**
- **Innovation, Sustainability, and Leadership**

Staff and community members are encouraged to nominate a SDG employee whom they believe is worthy of one of these prestigious awards.

Awards will be handed out on June 19th at the regular County Council meeting.
