

July 9, 2018

To Whom It May Concern:

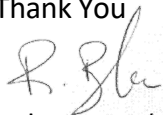

Willis Kerr Contracting has been contracted by the United Counties of Stormont, Dundas & Glengarry to complete the rehabilitation of the Swale Bridge on County Road 13, East of the village of Crysler.

The bridge will be reduced to a single lane traffic and controlled by temporary portable traffic lights for the duration of the work. The lane closure is scheduled to start July 23rd and continue until approx. November 2nd.

We apologize in advance for any inconvenience this may cause.

Any questions relating to the reduced lanes of the bridge, please contact myself at (613) 805-4202
Any concerns regarding problems with the closure or issues with the traffic lights, please contact Dave Fawcett at (613) 913-5331.

Thank You

Robert Brooker
Project Manager
